Firstly thanks for taking DTA Aus Education website to develop which was done ad hoc manner previously. From the beginning Dinesh and team work very closely and cooperatively and the final outcome is amazing. I must convey my special fruitful thanks to Sadhurshan, Kanchana, Kavindya, Sachitha and team for cooperation and patience during the project. Expecting the same support and cooperation during the next few months for any changes, I wish to continue the good business relationship with you and bring you more projects in future.
